

## Wine List

We have assembled a World class selection of wines for your enjoyment. Where Chardonnay, Cabernet and Malbec traditionally dominate a Steakhouse wine list, we have included other interesting varieties.

To improve the selection making process for our guests, we have presented our wines in a descriptive format, grouped by the wine's intensity and listed from mild to strong. Additionally, our service staff may assist with your decision making.

### Wine Tastings

Each evening, enjoy the opportunity to sample three wine varieties.
